# WILCOR BUYERS SHOW

*"For the past 8 years, I've only known about your delivery and packing side of business. Luckily for me, I got to visit you last week and saw what a friendly and professional operation you guys run. In fact, I hate to use the word business to describe you because it seems rather cold, which is quite the opposite of how my experience was that day. I know I will enjoy working with you even more now. Thanks for a wonderful visit."*

**Anna Foster - Loan Oak Campsites, East Canaan, CT**

*"Again this year we attended the annual Wilcor Spring Show at the Showroom in Utica. I really have to compliment you on the upgrades in organization, presentation and also the decor of the building. Your line of products are expanding and with the new products you are making our businesses more competitive which helps us as a small RV Campground to carry the new things in RV camping as well. We look forward to coming each year because the staff is not just helpful but very friendly and accommodating as well, not to mention the fact that the food you serve is down home good. We are already looking forward to next years show."*

**Jeannie & George Puterko - Thornbush Enterprises & RV Park, NY**

*"If you've never been to Wilcor's Showroom, do yourself a favor and put it in your schedule this year! This is one trip that can guarantee an increase in your store profits."*

**John & Marylou Rohlf - Benner's Meadow Run, PA**

*"...We would recommend attending this show to anyone interested in increasing their store sales..."*

**Paul R Friesen - Watkins Glen KOA, NY**
